Adjustable temperature range : 5-20°C
Noise level : 38dB
Energy class : F
Climate class : SN/ST (10-38)
Vinotag compatible : Yes
Wifi connection : yes

Product description

Ageing and Safety

The MILLESIME200D ageing wine cellar reproduces the storage conditions of a natural underground cellar to carefully preserve your vintages until their peak date. Protection against light, self-regulated humidity, air renewal, absence of vibrations and constant temperature are combined to guarantee the optimal ageing of your fine wines. Equipped with a winter function, your bottles are protected and the interior temperature controlled despite an unfavorable ambient environment. Temperature alarms, triple Low Eglass glazing treated with anti-UV and a lock ensure the serenity of your collection.

Equipment and Connectivity

A side LED lighting enhances the collection without disturbing its ageing. Stored or displayed on shelves made of exotic solid wood (sapelli), the presentation of the wine adapts to your desires thanks to the shelves provided allowing head-to-tail and label-view storage. Fully equipped, the cellar is also connected. By connecting the cellar to a Wi-Fi network, you
